PRESIDENT'S LETTER

A MESSAGE FROM ROBERT WEIR

Congratulations to all our members on a great year. I'd like to thank all of our Board members and Committee members whose countless volunteer hours help to make our Credit Union a great success. Last but not least, thank you to our dedicated staff that takes care of us and all our financial needs in a most friendly and professional manner.

2005 saw the economy start it's slow recovery from the previous down years. Interest rates remained low, which saw consumer spending rise slightly. Seaport sought to keep lending rates competitive while maximizing member's savings returns.

Please take a moment to review the accompanying Summary Statement of Financial Condition.

Our Goal is strong leadership for our future in order to give our members the service and financial choices they have come to expect from their Credit Union. New services are in place like Money Market Accounts and an on site ATM, as well as joint membership with AllPoint ATM Network offering members surcharge-free access at over 32,000 ATMs worldwide.

We hope you continue your relationship with Seaport Federal Credit Union. We look forward in the coming year to hearing your thoughts and ideas on how to improve our service and products for all our members.

Dreaming of a Home Improvement?

Make sure you see the Credit Union for the money to fund your project. Our Home Equity Line of Credit (HELOC) offers flexibility, low rates, and tax benefits (consult your tax advisor for specifics). The Credit Union is experienced in financing home remodeling, and we can help you put your financial plan together well before construction actually begins.

Your pre-approved credit limit can be accessed all at once, or in several smaller advances during the life of the loan. Best of all, as you pay down the principal balance of your HELOC, the funds typically become available to you again - without having to apply for a new loan.

Call or stop in today, and let us help your remodeling dreams come true.
